RE: Application of Carolina Water Service, Inc. for adjustment of rates and charges
for the provision of water and sewer service; Docket 2006-92-WS

Dear Mr. Terreni:

This follows up on my letter to you of June 6, 2006, concerning the Applicant's objection to the Commission's receipt of any customer testimony consisting of unsubstantiated complaints regarding customer service, quality of service, or customer relations issues.

My June 6 letter is withdrawn. The Applicant will state the objection contained in my June 6 letter at the beginning of the night hearings and will ask that same be deemed a continuing objection such that repeated objections will not be required whenever a customer testifies in that manner. The Applicant will also request that the Commission reserve ruling on the continuing objection until a later time. Any objections the Applicant may have other than those of the type described in my June 6 letter will be made contemporaneously. I understand that ORS will state its position with respect to the foregoing at the night hearings.

By copy of this letter, I am making counsel for ORS aware of this communication.
